

SPONSOR A CHILD

WHY IS THIS IMPORTANT?

Due to the socio-economic of the community we serve, we only ask R85 per month (per child) school fee, an amount that does not start to cover the cost to educate child. We therefore require the assistance of corporates and/ or private individuals to make up the shortfall.

HOW DOES THIS WORK?

An individual, business, school or group of friends/ colleagues can come together and decide to sponsor a child/ class of children. This donation plus the child's school fees cover the "cost per child" for the organisation.

We give a sponsor the option to choose the age and gender of the child they wish to support. Most sponsors start with a grade R pupil and more often than not we have found they continue sponsoring the child up to grade 7 (if funds allow). Although the sponsor will be notified whom he or she sponsors, the child will not know that they are sponsored. Should sponsors wish to assist in additional ways (like supplying stationary etc) they are welcome to do so but it is given to the child anonymously.

At the end of each school term sponsors will receive the report card for the child they sponsor as well as a copy of our Little Eagles Newspaper (a newspaper "by the children, for the children").

See below the cost and payment options involved with this initiative:

No of Children	Option 1	Option 2	Option 3
1	R 385 Pd monthly	R 1 155 Pd Quarterly	R 4 620 Pd yearly

**See our website for international currency amounts.*

Remember, as a registered non-profit organisation we are able to issue **Section 18A certificates** for all donations received. This allows you to do good whilst still being able to claim the expense back from your annual taxes.

Documents such as our audited financial statements, PBO certificate etc available upon request.
